The Honorable Tom Cole
Chair
Committee on Appropriations
House of Representatives
Washington, DC 20510

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House of Representatives
Washington, DC 20510

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Norton Fire Department Rehabilitation Project for the Town of Norton in Fiscal Year 2025. The entity to receive funding for this project is Norton Fire Department, located at 70 East Main Street, Norton, MA 02766.

The funding would be used to remodel the firehouse to better accommodate the needs of the department through updating the HVAC system, upgrading electrical wiring, improving plumbing, and enhancing the overall safety of the building. The project is an appropriate use of taxpayer funds because the renovations will allow the department to have a dedicated center for extreme weather conditions or natural disasters.

The project has a Federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

JAKE AUCHINCLOSS

Member of Congress
