The Honorable Tom Cole
Chair
Committee on Appropriations
House of Representatives
Washington, DC 20510

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House of Representatives
Washington, DC 20510

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Secondary Wastewater Treatment Plant in Fiscal Year 2027. The entity to receive funding for this project is located 1 Government Center, Fall River, MA, 02722-7700. The funding would be used for compliance with the nitrogen level requirements set forth by the Clean Water Act of 1972 and enforced via the National Pollutant Discharge Elimination System (NPDES). The project is an appropriate use of taxpayer funds because it will ensure that publicly accessible water bodies are clean, safe, and free of harmful or even life-threatening toxins.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq..

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jake Auchincloss".
