House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House of Representatives
Washington, DC 20510

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Mansfield’s Council on Aging Senior Center in Fiscal Year 2025. The entity to receive funding for this project is the Town of Mansfield, located at 6 Park Row, Mansfield, MA 02048.

The funding would be used for the construction of a standalone structure to house the community's Council on Aging (COA). The project is an appropriate use of taxpayer funds because the new facility would house the COA’s staff while creating a new, purpose-built programmatic space for Mansfield’s senior population. Additionally, this facility shall serve as a regional hub for emergency warming/cooling needs as well as an emergency food/supply collection and distribution center that fills an existing service gap.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

JAKE AUCHINCLOSS

Member of Congress
