The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House of Representatives
Washington, DC 20510

May 2, 2025

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Dighton Power Plant Pump Station in Fiscal Year 2026. The entity to receive funding for this project is located at 979 Somerset Ave Dighton, MA 02715. The funding would be used for improvements to the Power Plant Pump Station, which was installed in 1997 and collects sewage from the power plant as well as parts of Somerset Avenue.

The project is an appropriate use of taxpayer funds because upgrades to the pump station will direct effluence to the Taunton Water Treatment facility which maintains the standards set by the Clean Water Act.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Jake Auchincloss". The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.
