The Honorable Tom Cole
Chair
Committee on Appropriations
House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House of Representatives
Washington, DC 20510

May 2, 2025

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Foxborough's Chestnut Street PFAS Water Treatment Plant in Fiscal Year 2026. The entity to receive funding for this project is located 70 Elm Street, Foxborough, MA, 02035. The funding would be used for the construction of the first of three proposed PFAS water treatment plants (WTP), located at 25 Pumping Station Road to be installed in series with its newest Green Sand Filter Plant.

The project is an appropriate use of taxpayer funds because it will ensure Foxborough is able to meet the newest drinking water standards and protect communities from exposure to harmful PFAS.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Jake Auchincloss". The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.
