The Honorable Tom Cole
Chair
Committee on Appropriations
House of Representatives
Washington, DC 20510

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House of Representatives
Washington, DC 20510

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Lake and Eliot Route 16 Intersection Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Town of Sherborn, located at 19 Washington Street, Sherborn, MA, 01770. The funding would be used for the redesign of a locally owned intersection roughly 500 feet from the Pine Hill Elementary School exit and a Bay Circuit Trail crossing, for reconstruction, design features and improvements to this commuter route intersection. It is a major commuter route connecting Natick, Wellesley, Milford and Framingham to Mass Pike entrances, hospitals and the Greater Boston Community.

The project is an appropriate use of taxpayer funds because it specifically provides improvements to public safety: reducing accidents that have caused physical harm, property damage and transportation issues. The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Jake Auchincloss".
