The Honorable Tom Cole
Chair

House of Representatives
Washington, DC 20510

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House of Representatives
Washington, DC 20510

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Oak Street PFAS Treatment Plant in Fiscal Year 2027. The entity to receive funding for this project is located at 40 South Street, Foxborough, MA, 02035. The funding would be used for construction of a 1.58 MGD PFAS Water Treatment Plant (WTP) housing PFAS filter vessels at the existing Oak Street WTP facility site. The project is an appropriate use of taxpayer funds because it will ensure Foxborough is able to meet the newest drinking water standards and protect communities from harmful exposure to PFAS.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Jake Auchincloss".
