The Honorable Tom Cole
Chair
Committee on Appropriations
House of Representatives
Washington, DC 20510

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House of Representatives
Washington, DC 20510

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Town of Wrentham Wellfield Development Project in Fiscal Year 2027. The entity to receive funding for this project is located at 79 South Street Wrentham, MA, 02093. The funding would be used to increase the reliability of water systems and provide the ability to continue access of water to residents in West Wrentham in the event of a watermain break. The project is an appropriate use of taxpayer funds because it will ensure all of Wrentham's residents have adequate quantities and the highest quality of water available to them.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Jake Auchincloss".
