The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Hopedale Water Supply.

The entity to receive funding for this project is the Town of Hopedale, located at 78 Hopedale St, Hopedale, MA 01747.

The funding would be used to support the Town of Hopedale's critical water supply issue, in both a quantity and quality perspective. Recent PFAS testing results combined with a low draw have shut down a primary well. Dedicated funding from the Clean Water State Revolving Fund will provide an immediate, significant improvement to the Town's water quantity issue, especially in the high demand periods, while also providing additional benefits to the long term, new source aspects. The additional storage capacity would also improve the water volumes related to PFAS mitigation.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

**JAKE AUCHINCLOSS**
