The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for "Foxborough Sewer Design Route 1" in fiscal year 2023.

The entity to receive funding for this project is Town of Foxborough, located at 40 South Street, Foxborough, MA 02035.

The funding would be used to finalize the most viable option for connecting the existing properties along Route 1 in Foxborough to sewer. The two primary options that exist include either utilizing the Kraft Group private wastewater treatment plant or connecting to the Municipal sewer system two miles away with currently undetermined upgrades required along the route to the MFN Treatment Plant in Norton. With this funding, a decision can be made for the most economical connection and move to design process that would include permitting through Mass DOT.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JAKE AUCHINCLOSS
Member of Congress
