The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for “PFAS Treatment for Dustin/Prescott Wells” in fiscal year 2023.

The entity to receive funding for this project is Town of Marsfield, located at 6 Park Row, Mansfield, MA 02048.

The funding would be used to allow for the construction of a cross-country water main that would allow two (2) nearby drinking water wells (Dustin/Prescott Wells) to be tied into the Cate Springs treatment process to remove the PFAS compounds. The Dustin/Prescott Wells provide an important drinking water resource for the Town of Mansfield and this project would allow for the safe and adequate drinking water capacity especially during high demand periods.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JAKE Auchincloss  
Member of Congress
